Discussion

Williamson Comprehensive Plan

T. Wozniak provided information regarding the Comprehensive Plan. He explained that the State requires that there be updates at least once every ten (10) years. This may include reviewing progress of plans in place, looking into things that may have been left off, and looking at priorities of projects. The Plan provides a proactive map of things to do within the town.

T. Wozniak also explained the current plans and actions underway. He reminded those in attendance that the Plan can be seen on-line at the Town of Williamson website.

The Planning Board is in the process of reviewing the Plan and will provide their input to the Town Board.

The Gateway Project was also explained and discussed with those in attendance.

The Motion was made to adjourn the Planning Board Meeting @ 7:55 p.m. Motion carried.

Respectfully submitted,

Joanne Greaney
