➤ **Agenda Item #1**

Additional review, Larsen Engineers, Building Permit Application, solar project @ Pound Road landfill site

This supplemental Planning Board Meeting was scheduled for to review the documents and for further discussion.

The documents and maps were reviewed.

Discussion included:

Drainage should not be impacted; deep top soil.  
Methane gas will not be released.  
There will be concrete supports; panels are individually mounted.  
The town is contracting with a private developer.

Project will create power for the Town municipality; generating power to put back into the grid.

T. Wozniak asked if there were additional questions, comments, and/or concerns. There were none. The Planning Board members feel that this is a good use of the land/landfill.

**Motion was made to approve the Building Permit Application, solar project @ Pound Road landfill site. Motion carried.**

**Motion made to adjourn the supplemental Planning Board Meeting at 6:50 p.m. Motion carried.**

**Respectfully submitted,**
