Supervisor Hoffman recognized Orlo H. Plyter who served in WWII and all area veterans for serving their country.

Councilman Verno presented a plaque in recognition for the life saving acts of Dave Bruinix, who on May 14, 2004 as a spectator to the 10K race at the Apple Blossom Festivities taking place on Main Street did observe that Mr. Dean Ganskop was in distress suffering from apparent heat stroke. Mr. Bruinix acted very quickly in administering first aide to Mr. Ganskop to reduce his body temperature until medical emergency personnel could respond. The quick action taken by Mr. Bruinix was critical to Mr. Ganskop's complete recovery from what might have been a life threatening condition. Councilman Verno also thanked the ambulance personnel for being there during the race because there were others in need of medical attention.

Supervisor Hoffman made a motion, seconded by Councilman Warren, to accept and/or file the letters and other forms of communication.

Supervisor Hoffman reported on the GRE (Greater Rochester Enterprises), which was proposed at an earlier Town Board meeting by Barbara Harper, representing the Wayne County Industrial Development Agency. There was a request from Board members to find out other towns financial involvement in this project. At this time there has been no response from other towns. It will be put on the agenda for June 8. The Board feels they would like to support this program.

Councilman Warren stated the REACH committee recently held a hot dog roast at the Town Park. All that attended carried pails of sand to the new sand box, picked up rocks from the new ball fields and painted park benches. All enjoyed the activity.

There was an offer from Attorney Dan Barrett representing the Estate of LaUna Spavin who owned 74.5 acres connected to the east of the new Town Complex property. They are asking \$400,000.00 for the property and are not willing to sub-divide it.

The Town Board still does not have the needed information from Road Runner. Providing the information is received by the next Town Board meeting, it will be on that agenda.

Supervisor Hoffman informed the Town Board that the Town Hall moving plans are as stated at the last Town Board meeting. The moving company has provided additional insurance with an increase in the bid of \$400.00. The Town Board agreed to the additional amount. A meeting is scheduled with the movers on June 2, 2004.

Supervisor Hoffman has received a letter from the Town Attorney concerning the Joint Use Agreement with the Library at the new Town Complex. He made suggestions which will have to be discussed with the Town Board and the Library Board. Concerns of the Agreement are a five-year renewable clause for the Library use, no contract, and major repairs. The Board agreed there should be a Board of Directors for the new Town Complex to discuss issues as they arise.

Councilman Verno made a motion, seconded by Councilman Orbaker, to rescind a passed motion from Town Board meeting of May 18, 2004 regarding proposed Local Law #178, Section 5 (j) "Food service of meals and/or light snacks shall not be permitted" of the Farm Market Law. Discussion ensued. The motion was carried.

Councilman Verno made a motion, seconded by Councilman Monsees, to request the Planning Board to review the concept of the revised, May 13, 2004, proposed Local Law #178, Section 5 (j) "Food service of meals and/or light snacks" as a part of the Farm Market Law. Discussion ensued. The motion was carried.

The Town Board has received a request for water service on the east side of Tripp Road in the Town of Sodus. They would like to hook into Williamson water and are willing to pay for it. The resident of Sodus must first go to the Sodus Town Board for approval before The Town of Williamson can provide them water. The Board will contact William Dobie, Outside Water Dept. Forman for additional extension costs. After Sodus approval is received, The Williamson Town Board will then have to approve it.

Public Comment: William Herbert questioned the legality in how a motion was rescinded and then again presented correctly. Mark Lagoner commented on the Town Board's decision concerning the proposed Farm Market Law

Councilman Orbaker made a motion, seconded by Councilman Verno, to pay the following bills as audited:
