Rules of Order for Public Hearing

The purpose of a hearing is for the Board to receive opinions and questions from members of the public with respect to a specified topic/law etc. Thus, you are asked to comply with the rules for conducting the hearing.

1. The chair will recognize person(s) to speak. Please wait until recognized by the chair.
2. Comments should be limited to the topic of the hearing. Comments about other issues can be made during "public comment" of a regular meeting.
3. Comments should be prefaced with your name and address. You are asked to be clear and concise in your presentation out of consideration for other persons wishing to speak.+
4. A hearing is not a debate between private parties or with the Board. Rather, it is a time for the Board to hear view points. Thus, you are asked to address the Town Board. You are asked not to address other members of the public.
5. The Board will attempt to answer questions but may have to delay response if information is not available.
