The Board reviewed bills for payment.

Supervisor Hoffman stated he had received a request from Carol Countryman for The Board to consider marking a handicapped-parking area in front of the Candy Kitchen on Ridge Road. He explained he had personally talked to several people including Mike Orr, Chairman of the Business Improvement District on the subject. There is currently a handicapped-parking spot in the Town parking lot next to the laundry mat. After discussion, The Board felt it was not safe to put on in the requested location since there were none in front of any other businesses and because of safety issues on Ridge Road. They agreed if there was not already two handicapped-parking places in the Town parking lot, that is where there should be another one marked. Supervisor Hoffman will check into it.

Supervisor Hoffman updated The Board on the Railroad Avenue Mobile Home Park. Work on removing abandon units has progressed slowly. Town Attorney, Art Williams has been in contact with Mr. Robert Houle and has asked him to submit in writing a time schedule of when the issues of non-compliance will be completed. Attorney Williams has given him a week submit this request.

Supervisor Hoffman discussed with Attorney Art Williams the issue of spending drainage tax dollars on private drainage projects. Attorney Williams feels that this could be done with a Board Resolution but is checking into it and will get back to the Supervisor.

Councilman Orbaker stated that Thomas VanDeWalle who resides on Lake Avenue came to the Drainage Council meeting last night with a serious drainage problem in his yard and basement. The problem has existed for years. After discussion, The Board agreed to have the Sewer Department take their camera to find out where all the water is coming from.
