SAVE 10% ON YOUR ELECTRICITY COSTS WITH COMMUNITY SOLAR FROM ABUNDANT ENERGY

-  Your discount is locked in for as long as you participate
-  You can cancel anytime by providing notice, no cancellation fees
-  The agreement lasts for 1-year and renews annually

Residents, businesses, and nonprofits, are lowering their electricity costs, advancing the state's clean energy goals, and reducing dependence on fossil fuels through community solar

HOW DOES IT WORK?

- 1** Abundant assigns you a share of the local community solar farm based on your electricity usage
- 2** Each month, solar credits are generated on your behalf and applied directly to your RG&E bill
- 3** You purchase Abundant's solar credits at a discount, saving you 10% on your total electricity costs
- 4** Once connected, you can view your solar production, cost savings, and environmental impact with Abundant Energy's solar portal

Sign-up is simple. It takes 5 minutes to go green and save 10% on your electricity costs! Use promo code --> larsen
